

Kawasaki Precision Machinery (U.S.A.), Inc.

Distribution Center Shipping Schedule

May 19, 2016

Shipping and Receiving Hours: 7:00am-3:30pm

Order processing for "in stock" Kawasaki units & parts (filled on a first order received basis):

Regular Orders: Any domestic order that is received into the system after 12:00pm (EST.) will ship the following business day.

Same Day Orders: Orders received into the system before 12:00 PM (EST.) will **usually** ship the same business day with the following fees:

Units - \$50.00

Parts - \$25.00

International Orders: Orders received into the system before 10:00 AM (EST.) will ship the same business day with the fees above.

Customer Will Call: Will call orders are available for pickup between 1:00pm and 3:00pm (EST.).

The Distribution Center strives to maintain a high level of on-time shipping standards. Not all orders are guaranteed to ship as noted above due to unforeseen workload and circumstances. Orders that require special packaging from the NSC may not apply for same day or next day shipping.

Please contact your Sales Manager if you have any questions.

Sincerely,
Randy Smith
Manager of Operations
